

# FRESH SERVE

fresh & best food...

Fresh Serve provides the most delicious blends of indian flavors.

# Catering Services

Functions hold a great importance in the life of Indians. Functions are those special moments when everybody soaks in the celebrations of that moment to forget the strife and hassles of everyday life. That's why, we all try to ensure that these functions are organized at a larger than life level, and their celebrations too are made with full pomp and show to have a grand effect on the invited guests of the occasion.

**Fresh Serve** provides full catering service in various events and occasions as:

- Business Corporate Events
- Birthday Parties
- Picnics
- Seminars
- Workshops
- Marriages/Weddings etc

We have also built a lot of links with business comes in touch of us as DJ sounds, Tent Houses, Decorations, Mehendi, Choreographers and Photography etc.

# Offerings

Despite your best efforts, most of the times the employees seem to be dissatisfied with the meal options available within your premise or outside/around your facility.

With Swift access to the entire City area, we offer a great daily food delivery solution to many of the region's leading companies. Whether it's an elegant **breakfast** or **lunch meeting buffet**, launch event, or a major conference with full staff service, we are fully equipped to meet your requirements and flexible enough to accommodate all budgets.

Fresh Serve looks forward to partnering with you in taking care of your biggest assets by providing them Delicious food, taste, health and convenience through its meals.
